**Subject:** A memorable vacation

Hello Anita,

Is everything OK?

I've just arrived from my trip to South Africa. It was awesome. It's been one of my best vacations that I have ever taken. I'll never forget it. I spent three weeks there. I went with my friends Johana and Lucy. I had invited my cousin; but she couldn't make it. Anyway, maybe next time she will join me.

We first arrived to Johannesburg, Joburg as locals call the city. Right away we took a bus to Nelspruit; it is a city close to Kruger Park. Yes, my friend, we went on a safari. It was an unforgettable experience. We spent three days in the park. Definitely, this experience was the one that I liked the most about the trip. After that, we went back to Joburg and flew to Cape Town. The city was beautiful. In there, we took a wine tour and spent a couple of days at the beach. The weather was perfect for us. It was summer there.

Then, we took a bus to Durban. It was exhausting, but we liked the trip. On our way back, we stopped again in Joburg and spent three days before leaving the country. Obviously we went to the famous neighborhood of Soweto. I'll show you the picture once we meet.

Looking forward to seeing you soon my friend.

<p><b>A DAY TO REMEMBER</b></p> <p>We want you to share with us your most memorable event in sports. What is it? We want to know.</p>	
 <p><b>Carlos</b></p>	<p>It was during the FIFA World Cup 2014, the match Costa Rica versus Greece. All the country was singing together "Vamos La Sele". This was really special for me because I was one of the few Costa Ricans at the Arena Pernambuco, in Recife, Brazil. Sadly, it wasn't the same in 2018. We are now waiting for Qatar 2022.</p>
 <p><b>Yury</b></p>	<p>Definitely, an event that I'll never forget was watching Andrea Vargas winning the gold medal at Lima Panamerican Games. Everybody was posting things about her. Didn't you watch the video of her crossing the winning line? It was great.</p>
 <p><b>Jenny</b></p>	<p>I agree with Yury. That moment was unforgettable. We all felt proud of being Costa Rican. And what I like the most was the story behind her. Andrea is a hardworking athlete. She really deserved the medal.</p>
 <p><b>Luis</b></p>	<p>Do you still remember our first gold medal at the Olympics in Atlanta 1994? It'll be a day that Costa Ricans will never forget. What Claudia Poll did was outstanding. I'll never forget seeing her waving the national flag in the Olympic swimming pool. I still have that memory very present in my head. Everything happened very fast.</p>

**Subject:** Let's visit Tortuguero

Hello Meylin. I hope you are OK.

Have you ever been to Tortuguero? Jason invited me to go next month to spend a weekend. He told me I could invite someone else. We are going to stay in a cabin. There are hostels and local hotels, but we decided to rent a cabin.

Jason has been there two or three times, I'm not quite sure, but he loves the place. If we go, we will take a tour through the canals. They are full of flora and fauna. My mother already went and she told me that it is a paradise. Remember to bring the necessary things such as comfortable clothes, sunblock, a hat, hiking shoes and of course a camera. I think the camera is the most important item to carry. Don't bring a lot of money, it isn't necessary. We won't spend a lot. There aren't any markets or discos to go dancing, but my mother told me that the beach is wonderful. We can sunbathe and swim in the sea. That would be great.

Looking forward to seeing you soon my friend.
