What are Yes/No Questions?

- Yes/ No questions are questions that can be answered with “yes” or “no”. These are essential questions in speakers daily-live

Key idea:
They **do not ask for information** (like where or why). They only confirm something.

Examples:

1. Do you like coffe? → Yes, I do. / No, I don't
2. Is she your teacher? → Yes, she is. / No, she isn't

Basic Structure of Yes/No Questions

General Structure

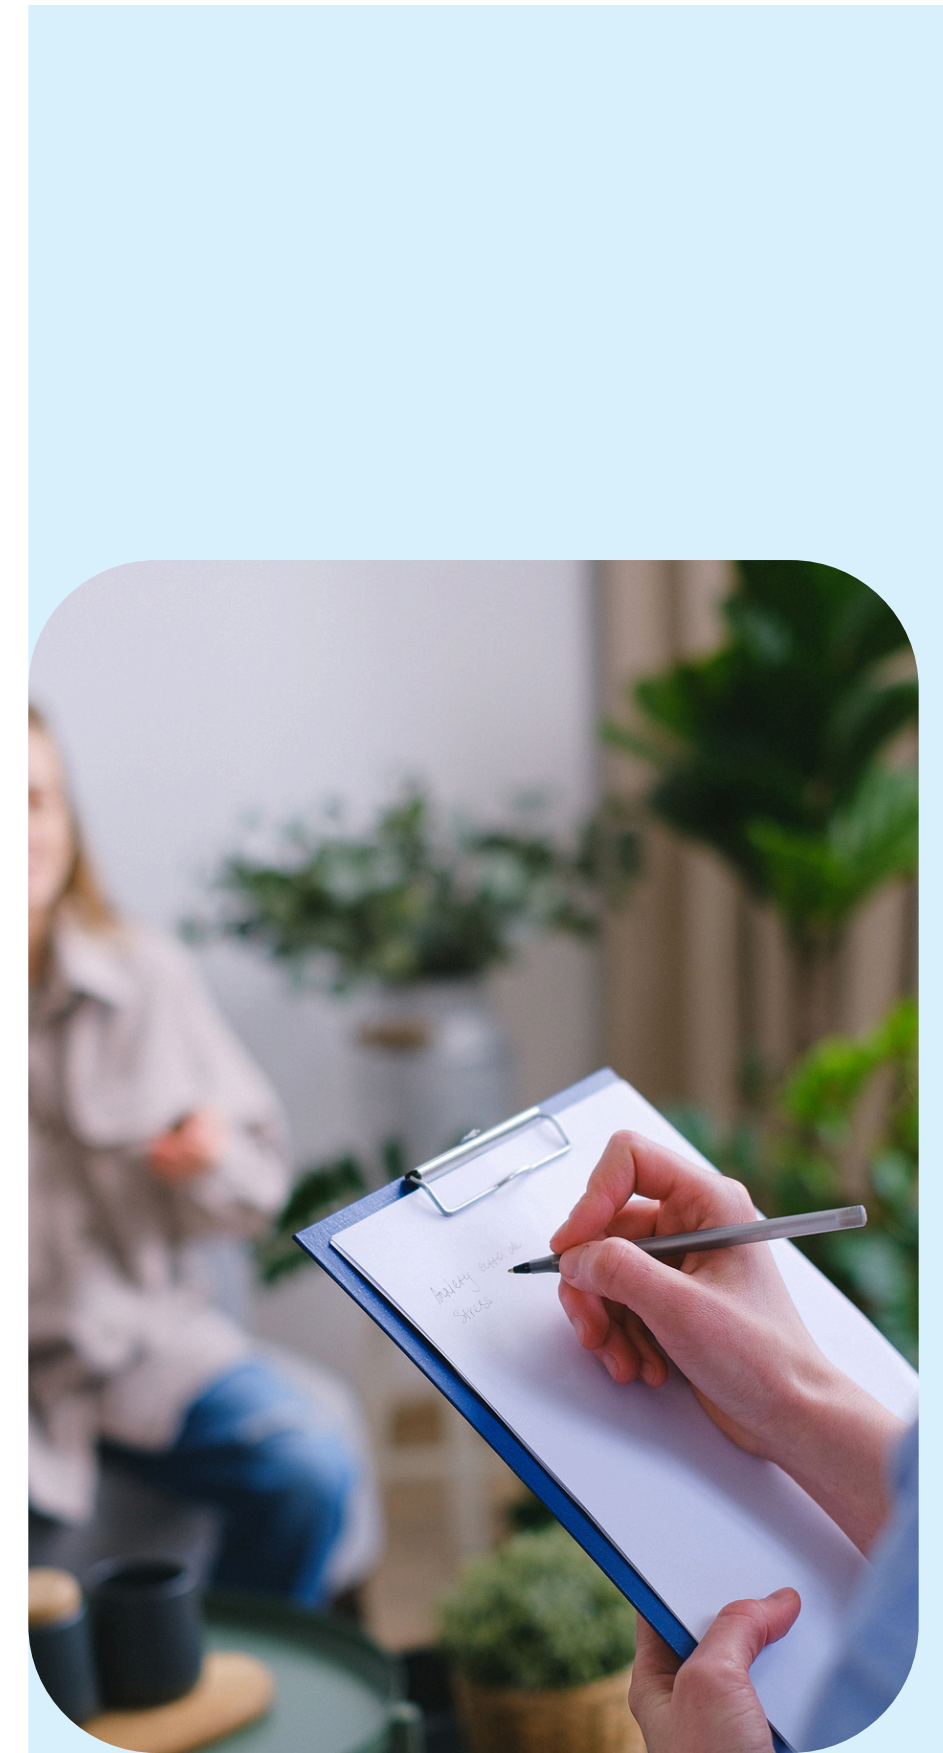

Auxiliary Verb + Subject + Main Verb (+ complement)?

Examples

- Do + you + work + here?
- Does + he + live + near?
- Did + they + study + English?

Important:

The **auxiliary verb** always comes first.

Yes/ No Questions with “Be” and Do/does

Be

When **BE** is the main verb, no auxiliary verb is needed.

Structure

Be + Subject + complement?

Examples

- Are you tired?
- Is she at home?
- Were they late?

Do/does

With Did (past simple).

Examples:

- Did you finish your homework?
